# COME FOR THE CAREER, STAY FOR THE LIFESTYLE

## Progressive Healthcare Network

Unity Health is one of the leading healthcare providers in an eight-county area in Arkansas. Unity Health has four hospital locations and multiple primary care and specialty clinics. Unity Health is leading Arkansas in ensuring healthcare for future generations with graduate medical education programs in Family Medicine, Internal Medicine, Psychiatry and Emergency Medicine.

## Location

Hospital locations include two hospitals in Searcy, Arkansas, one hospital in Newport, Arkansas, and one hospital in Jacksonville, Arkansas. Multiple physician clinics are located in Searcy, Newport, Beebe, Bradford, Cabot, Jacksonville and Heber Springs, Arkansas—all within quick access to metropolitan areas. The hometown atmosphere of these towns offers an ideal setting for families and individuals alike, with a wide variety of activities for all ages.

## Recreation

Arkansas. The Natural State. Spend afternoons at beautiful lakes, cruise bikes paths, hike trails, explore natural and historic state parks, and so much more. Residents enjoy plenty of recreation for the outdoor enthusiast, whether it's year-round golfing, water sports on nearby Greers Ferry Lake, world-class trout fishing on the Little Red River, or ample hunting opportunities. A lifestyle of discovering new experiences awaits!

## Education

Searcy is home to two universities with Newport, Beebe and Heber Springs also housing colleges. Harding University, located in Searcy, offers multiple undergraduate and graduate programs in healthcare-related fields and other professional programs.
